Backend: Java, Spring Boot, Spring Data JPA, REST APIs
Database: MySQL, Microsoft SQL Server
Programming Languages: Java, Python, C, JavaScript
Tools: Git, GitHub, Maven, Postman, VS Code
Concepts: OOP, CRUD, MVC, Authentication

Soft Skills

Customer Communication, Technical Communication, Active Listening, Problem Solving, Teamwork, Adaptability, Customer Focus

Experience

Full Stack Development Intern – Akilam Technology LLP, Trichy Sep 2026

- Developed FreelanceHub, a full-stack marketplace, using Node.js, Express.js, SQL Server and REST APIs.
- Implemented JWT authentication, bcrypt password hashing and role-based access control to restrict users to permitted features.
- Tested registration, login, role-based access and proposal workflows; documented the project in a detailed report.

Full Stack Development Intern – Infyro Nov 2025 – Dec 2025

- Developed and deployed full-stack web applications and integrated backend services with databases.
- Performed testing, debugging, deployment and version control using GitHub.

Projects

PulseHR – Enterprise Employee Management Portal GitHub Link

React.js, Java, Spring Boot, MySQL

- Enhanced a full-stack employee management system with HR dashboards, employee management, leave tracking, and performance monitoring features.
- Developed REST APIs and integrated the React frontend with Spring Boot and MySQL, incorporating employee analytics, skill tracking, and activity logging.

Blood Donation Awareness Campaign | Live Demo *Team of 7, 2025*

- Took part in awareness campaigns and a hospital field visit in Tiruchirappalli to encourage voluntary blood donation.
- Collected and verified donor details and organized them in a structured table, working with a team under faculty guidance.

Personal Portfolio Website Live Portfolio

React.js, HTML, CSS, JavaScript

- Developed a responsive personal portfolio website to showcase technical skills, education, internship experience, certifications, and projects.
- Integrated project details, GitHub repositories, live demos, social links, and a downloadable resume to present my professional profile.

Certifications

- Programming in Java – IIT Kharagpur (NPTEL)
- Building Full-Stack Apps with React and Spring – LinkedIn Learning (Jun 2026)
- Critical Thinking and Problem Solving – LinkedIn Learning (Jun 2026)
- HackerRank Problem Solving (Basic) – Apr 2026
- IBM Artificial Intelligence Fundamentals
